4-H & FFA Livestock Market Sale

Superintendent:

Cowlitz County 4-H and FFA Livestock Association
Julia Collins (360) 749-0545

Sale Day:

Friday, July 23, 2021 beginning at 6:30 pm

The purpose of this Market Sale is to provide an opportunity for youth to exhibit and sell quality market stock (beef, sheep, swine, goats, chicken, turkey and rabbits) which have reached marketable size and quality carcass standards.

Having the opportunity to sell a 4-H or FFA market sale animal at this sale should be considered a privilege, as the market sale committee is managed by volunteers who want to make a difference for both 4-H and FFA youth.

Both the sellers (4-H and FFA member) and the bidders and/or buyers are reminded that the price paid to the seller may not, in fact, reflect a true market price at the time of the sale. It is the desire of the sponsoring groups that the buyers of the animals featured in this sale will bid sufficiently to cover the individual exhibitors additional expenses incurred in feeding, fitting and transporting the animals to this show to gain experience in feeding and management of market animals. Any animal sold in the auction is suitable for slaughter at the time of the sale.

Exhibitor Eligibility:

1. Each exhibitor must be enrolled and in good standing in Cowlitz County 4-H or be a member of a Cowlitz County FFA Chapter and be actively caring for animal(s) exhibited as a 4-H project or FFA project.
